LYNXGRILLS.COM

It's more than a grill, it's a state of mind. Born in Southern California, and rooted in a mix of stunning geography, idyllic weather, stylish people, and healthy, adventurous cuisine. It's an environment that drives innovation, comfort, and ingenuity. A place that is the envy of a nation cursed to conform to the seasons.

It's only natural that a superior outdoor suite of cooking equipment would come from here. Where better to craft the perfect luxury lifestyle product?

More than just a place, more than just a grill, it's a way of life.

We invite you to live the Lynx Life.

SEDONA BY LYNX™ SERIES

Easy, stylish and natural. Stunning to the senses. From simple foods, simply prepared, to luxurious cuisine crafted with flair. It's comfortable, clever and organic. It's spices with spirit, sauces that soothe.

The Sedona by Lynx™ fits comfortably in a world where luxury elements are balanced with well-worn staples. Where warm breezes mix with good friends and quiet moments. A world where big meals are designed to delight, or intimate dining is enjoyed under the stars.

[LYNXGRILLS.COM](https://lynxgrills.com)

The Sedona by Lynx™ Series is easy excellence. It’s comfortable and flexible, always evolving to be the best at something new. That philosophy is reflected in its features. We’ve refined these features to give you a grilling experience that’s both simple and stunning. Whether you’re cooking lemon butter tilapia or portobello mushrooms, fusion cuisine or time-tested favorites, the Sedona by Lynx™ helps you create sensational results.

When you want to relax, share amazing food with your friends, or try a new inspiration, the Sedona by Lynx™ is waiting.

PROSEAR™ INFRARED BURNER

To properly sear a generous cut of filet mignon, scallops, or even pineapple slices, you need an instant response from a powerful burner. The ProSear Infrared Burner delivers.

Acclaimed for its immediate response and 23,000 BTUs of intensive heat, the ProSear can also do more. Unlike a simple “searing burner” with limited settings, the ProSear is completely variable—so you can use it for delicate dishes as well.

It’s plenty of power, at your control, and a lifetime warranty to back it up.

STAINLESS STEEL BURNERS

You know we believe in stainless steel.

Our 23,000 BTU burners are engineered to endure temperatures up to 2,000°F. That means it can perform under fire, and perform for years—in fact, our stainless steel burners come with a lifetime warranty. Paired with our ceramic radiant briquettes, these burners provide a quick and even heat that you can tailor for perfect results year after year.

CERAMIC RADIANT BRIQUETTES

Perfect outdoor cooking begins with even heat.

Charcoal briquettes can form a steady glow of heat beneath your food—but traditional gas grill burners can create irregular hot spots, forcing you to continually flip and move your food to achieve an even finish.

With Lynx Ceramic Briquettes, your gas grill emanates a perfectly even heat across the base of your grill.

For your convenience, in five minutes, you can cleanse the briquettes by reversing the tray and raising the heat.

SEAMLESS WELDED CONSTRUCTION

The Lynx workshop in California is a study in skill, a lesson in craft.

A welder pauses to focus on an unwelded seam... then, with one swift and steady stroke, he sweeps his torch across the seam—like painting a perfect line—and an unbroken edge emerges.

It’s over in a second, and that’s how it has to be done. We do not use mechanical fasteners. We form every sheet of metal into a solitary, seamless body of shimmering steel, free of gaps and seams where moisture could collect. Hand-tooled, precision welded, and highly polished by the skilled specialists in our shop, each and every grill is inspected before it leaves our floor. We examine details on every side, step back, and check reflections in every light, to ensure that your grill embodies Lynx—finished with invisible welds and hand-polished edges that shine like mirrors.

EXPANSIVE GRILLING SURFACE

The Lynx Life is expansive and deep. It has space to move and relax, always has room for more, and never feels limited or confined.

So, we built our grills with more space in mind.

Our expansive grilling surfaces provide greater depth, extending to more than 20 inches deep on most models.

You might not need it all. It just feels good to have it.

ROTISSERIE SYSTEM

A rotisserie unlocks a new realm of food. There is no better way to carefully and evenly cook generous meats like whole chickens and roasts, or baskets of vegetables, chicken wings, and sides.

The Lynx Rotisserie has a dedicated burner and optional Lynx Rotisserie Basket, allowing you to carefully cook smaller dishes and sides while preparing a main dish—you can even roast your own coffee beans.

It’s simply mesmerizing to watch the rotisserie steadily turn, summoning mouth-watering aroma as it elicits a crisp exterior and succulent interior for lemon rotisserie chicken, red wine leg of lamb, a honey glazed ham, or a bourbon pork roast. The image lingers for a while, but the aroma is unforgettable.

SPARK IGNITION SYSTEM

The perfect meal begins with a spark.

The Lynx Spark Ignition System lights your grill quickly and safely, with just the push of a knob.

With electric ignition and a battery back-up, you don’t need to try more than once. Now you can be certain that, when you’re ready to grill, your grill will respond.

LYNX HOOD ASSIST

Solid stainless steel gives our grills a sense of substance.

They feel firm at every touch, with a sound and an aura of permanence.

But you can lift the hoods with just a finger—each one is centrally balanced, and has a heat-treated assist system that makes it surprisingly weightless to open and close.

You'll probably do it twice—just to feel it again.

Go ahead. Everyone does.

INTEGRATED ILLUMINATION

There's a mystical air that arises just as the sun starts to set and the evening arrives.

It's a beautiful time to grill... if you can.

Every Lynx grill incorporates elegant blue illumination emanating from each knob with a calm blue light. As you lift the lid, intuitive halogen illumination shows you exactly how your food is looking.

So, just check in on your food.

Then, get back to basking in the sundown grill aroma. It seems to steal an amber essence from the last of the sun.

THE LYNX PROFESSIONALS

Experience counts.

We understand that, from the work that skilled artisans perform in our workshop each day. Experience is the only way to create the beautiful finishes, the flawless seams, and the precise alignments that you find in all our Lynx products.

And experience counts in the world of an outdoor kitchen. That's why we consult with culinary and design masters to gather feedback, develop innovations, and follow the latest inspirations in flavor.

To stay inspired, visit lynxgrills.com and visit the Lynx Life menu to meet our Lynx Professionals and follow us on social media.

KENT RATHBUN
DALLAS, TX
IRON CHEF WINNER / IMOTO DALLAS / RESTAURATEUR

“As a chef I have been fortunate enough to work with many brands of equipment but when it comes to outdoor appliances, I find Lynx to be the Porsche of outdoor kitchen products.”

MICHAEL SCHWARTZ
MIAMI BEACH, FL
JAMES BEARD WINNER / RESTAURATEUR

“I'm honored to be part of the Lynx Chef Panel and work with its innovative products. Grilling is one of the simplest ways to build flavor into a dish and has always played an important role in my approach to cooking.”

DONATELLA ARPAIA
NEW YORK, NY
IRON CHEF JUDGE / RESTAURATEUR

“My Lynx outdoor kitchen is beautiful, powerful and uses the latest technology. The grill cooks more evenly than any other grill and the made in America craftsmanship made it the only choice for me. Our outdoor kitchen has become the heart of our home.”

GLENN LYMAN
CHARLOTTE, NC
CHEF TO THE ATHLETES

“When I think about time spent around the grill, I recall a lifetime of experience and quality time with family and friends. I cherish the memories of hanging out around the grill, sharing stories, swapping recipes, and making plans for the next gathering. Imagining the great taste and smell of grilled food sparks up nostalgia I will never forget. Thanks to the championship quality of Lynx, I have a real home-court advantage in the outdoor kitchen.”

DRES
LOS ANGELES, CA
DIRECTOR OF CULINARY DEVELOPMENT AT LYNX GRILLS / CHEF-OWNER OF DINNER WITH DRES / THE CUT

“The thing that blows my mind every time I turn on a Lynx Grill is how insanely hot it can get in a short amount of time. Realizing how fast it responds to heat adjustments when cooling it down for slow cooking after searing, or quickly heating up for reverse searing, made me realize we can almost forget everything we know about traditional grilling. These machines are perfect.”

DAN BRUNN
LOS ANGELES, CA
PRINCIPLE AT DBA ARCHITECTURE – FOUNDER OF BRIDGE HOUSE LA

“I greatly appreciate the clean lines, and timeless design. Above all though, it's married to performance. Lynx products embody the notion of form follows function, which is inherent in our design language. Also, there is a complete product portfolio, which makes it really easy to choose and outfit a truly integrative outdoor kitchen.”

SEDONA BY LYNX™ BUILT-IN GRILLS

A built-in Sedona by Lynx grill is the radiant centerpiece for your outdoor experience.

SEDONA BY LYNX™ 42" BUILT-IN GRILL

PRODUCT OVERVIEW

- Diverse choices—available in four different configurations
- Generous capacity—1,049 square inches of cooking surface (728 primary, 321 secondary)

Lynx is proud to introduce the first freestanding cart grill designed for individuals with disabilities. Yet another Lynx first, this ADA compliant unit is very accessible, extremely practical, and has all the amazing features of the Sedona by Lynx™ Grill. Available in 30" and 36" freestanding cart sizes, with or without rotisserie option.

MEET MICHAEL

The ADA grill is an achievement of passion, vision, and a unique partnership that steered the development process. When the Lynx engineering team began designing the ADA grill, we knew we needed an authentic voice to guide its development. Through a mutual friend, we were introduced to Michael (out of respect for privacy, we refrain from including his last name). Michael is a C7 quadriplegic, having suffered a break in his 7th cervical spinal cord segment in a diving board accident that left him paralyzed from the chest down.

Michael was involved in shaping key features of the ADA grill; the propane tank holder, the insulated bullnose, and the grill storage system to name a few. We were happy to hear that core features of our Sedona by Lynx™ grills, such as the Lynx Hood Assist were his favorite features. Michael’s contributions on improving the accessibility features of the ADA grill has been invaluable. His insight into the people and families that comprise the disabled community has had impact beyond measure.

We started out as partners. We are glad to call Michael a friend. Thank you for all your contributions Michael. We couldn’t have done it without you.

**Americans with Disabilities Act of 1990*

ADA GRILL

- 32" High cooking surface
- 8" Toekick

LID HANDLE

- Adjustable side handle for less than a 42" reach
- Hood assist makes raising and lowering nearly effortless

OUTDOOR TOWEL DISPENSER

- Subtle convenience—provides an appealing concealed option
- Faultless finishing—heavy-duty welded construction with a Professional style handle
- Quick clean-up—fits a standard roll of paper towels
- Customized access—the door swings up

A stainless steel grill with a warming rack, set into a white outdoor kitchen island with marble countertops. The island features stainless steel drawers and cabinets. The background shows a tropical setting with a palm tree and a view of a city and mountains.

Whether you're planning a custom outdoor kitchen installation tailored to your own design, or want the simplicity of a ready-made island package, the built-in models in the Sedona by Lynx™ family are a perfect fit. Choose from a variety of grill sizes, features, and complementary components to configure a custom installation. Or opt for an easily assembled island package offering a choice of grill sizes, side burners, and storage systems.

AN EASY OUTDOOR KITCHEN SOLUTION

The ready-to-finish island is designed to assemble in 30 minutes with two to three people.

The Ready to Finish island or full packages can help create your outdoor kitchen for a third of the cost.

Framing made of galvanized steel and HardieBacker® board with Mold Block Technology. Each island is handcrafted and backed by a limited lifetime warranty by Lynx Grills.

Shown: Ready-To-Finish (RTF)

Shown: Sample Finished Island

CHOOSE YOUR CONFIGURATION

The island is fully reversible, and can be assembled four different ways:

SEDONA BY LYNX™ ACCESSORIES

Perfect pairing is an art. And like the elements of an artfully orchestrated meal, our accessories form an elegant compliment to your Lynx outdoor kitchen.

SEDONA BY LYNX™ ACCESSORIES

MODEL GP

GRIDDLE PLATE

- Amazing options—cook anything on your grill
- Generous space—11" x 15" cooking surface
- Thoughtful design—angled 5° slope front to rear to prevent spillage, and 2" high sides
- Stable placement—four feet firmly grip grates
- Quick clean-up—easy-to-clean stainless steel surface

MODEL LGRT

3 PIECE GRILLING TOOL SET

- Ready for action—three-piece tool set with additional basting brush attachment
- Intuitive design—spatula has a serrated leading edge that allows tool to slide easily under food
- Secure hold—tongs have a locking mechanism to grip food easily
- Versatile use—basting brush easily bastes juices onto food; attachment also works with cleaning tool
- Simple clean-up—cleaning tool helps eliminate baked foods from grates
- Comfortable grip—large, durable handles with ergonomic design for comfort, efficiency, and ease of use

MODEL RB8

ROTISSERIE BASKET

- Brilliant versatility—great for vegetables, chicken wings, roasting coffee beans and more
- Easy addition—compatible with any Lynx or Sedona rotisserie grill
- Flexible placement—works with both the rear rotisserie burner or standard grilling burners
- Quick clean-up—easy to clean and dishwasher safe

MODEL LSTK

LYNX STEAK KNIFE SET

- Complete preparation—set includes six 5-inch steakhouse-style knives with a beautiful wooden case
- Magnificent quality—crafted from German stainless steel delivers perfect performance
- Elegant finish—polished black and stainless steel handles

MODEL	DESCRIPTION
GP	Griddle Plate
RB8	Rotisserie Basket
LGRT	3 Piece Grilling Tool Set
LSTK	Lynx Steak Knife Set

Island can be assembled 4 different ways as shown in the diagrams. Island is fully reversible. Configurations shown here:

SEDONA BY LYNX™ LIMITED WARRANTY

I. LIMITED LIFETIME WARRANTY

The stainless steel grill body, stainless steel grill burners, cooking grates, ProSear burner and rotisserie infrared burner are warranted to be free from defects in material and workmanship when subjected to normal domestic use and maintenance for the lifetime of the original purchaser. This warranty excludes surface corrosion, scratches, and discoloration which may occur during normal use. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor. Failure to perform required maintenance will void this warranty.

II. LIMITED FIVE-YEAR WARRANTY

The following grill parts are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of five (5) years from the original date of purchase; warming racks, spit rods, briquette trays, manifolds and gas valves. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor.

III. LIMITED TWO-YEAR WARRANTY

All other grill components are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of two (2) years from the original date of purchase. This warranty is limited to the replacement of the defective parts, with the consumer paying all labor costs.

IV. LIMITED ONE-YEAR WARRANTY

For a period of one (1) year from the original date of purchase, Lynx will replace or repair parts found to be defective at no cost to the original purchaser. This includes the cost of shipping replacement parts and, where necessary, service labor at prevailing local rates by a Lynx authorized service person. Service will be provided during normal business hours and must be authorized in advance by Lynx.

V. LIMITATIONS & EXCLUSIONS

- 1) This Warranty shall apply to products purchased and located in the United States and Canada. Products must be purchased in the country where service is requested.
- 2) Warranty applies only to the original purchaser and may not be transferred.
- 3) Warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities related to the sale or use of Lynx products.
- 4) Warranty shall not apply and Lynx is not responsible for damage resulting from misuse, abuse, failure to provide reasonable and necessary required maintenance, natural disaster, animals, alteration of or tampering with the appliance, accident, hostile environment, flare-up fires, improper installation or operation, or an installation not in accordance with the instructions contained in this manual, or the local codes.

- 5) Lynx shall not be liable for incidental, consequential, special or contingent damages resulting from its breach of this written warranty or any implied warranty.
- 6) Some states do not allow limitations on how long an implied warranty lasts, or the exclusions of or limitations on consequential damages. This warranty gives you specific legal rights and you may have other rights which vary from state to state.
- 7) No one has the authority to add to or vary Lynx's warranty, or to create for Lynx any other obligation or liability in connection with the sale or use of its products.
- 8) Limited to the replacement of defective parts with the owner paying all other costs including labor.

VI. WHAT IS NOT COVERED: LYNX SHALL NOT BE RESPONSIBLE FOR AND SHALL NOT PAY FOR THE FOLLOWING

- 1) Installation or start-up, damages or problems caused by improper installation or use.
- 2) Service by an unauthorized service provider.
- 3) Damage or repair due to service by an unauthorized service provider or use of unauthorized parts.
- 4) Warranty does not apply to products installed in any commercial or non-residential application. Examples of excluded applications include, but are not limited to day care centers, schools, bed and breakfast centers, churches, private clubs, fire stations, club houses, common areas in multi-family dwellings, restaurants, hotels, nursing homes, food service locations and institutional food service locations. *Contact Lynx for Common Area Warranty.
- 5) To correct normal adjustments or settings, due to improper installation, commissioning or local gas supply properties.
- 6) Shipping and handling costs, export duties, installation, removal, or re-installation cost (RMA excluded).
- 7) Display models are sold “as is”. If you have purchased a display model, please be advised that it is sold “as is” and that it is subject to the following warranty exclusions: any exterior or cosmetic damage is nonwarrantable; any missing components will be replaced at consumers expense; major handling damage to manifold, valve and ignition system will be serviced at consumer's expense; all other warranties will remain in effect.
- 8) The cost of a service call to diagnose complaint.
- 9) Modification to Lynx product will void related warranties.

** Please refer to Accessory Care & Use for respective warranties.*
